

Doc

Doctors Ought to Care

Thank you for your interest in Doc. Our concept is simple, but our approach is quite unique. Members come from all specialties, professions, and lay personnel. Income from membership is used to produce promotional material, to purchase media space to advertise "health", and to buy materials for workshops. Your contribution for membership or promotional materials is tax exempt. Please make your check payable to "Doc".

The three posters currently available are "Emphysema Slims", "Smoke for Smell", and "Pregnant Man". The "Superhealth 2000" T-Shirts are 50% polyester and cotton; don't forget to specify your size. Buttons such as "I'd rather live than light", will soon be available.

If you would be interested in starting a Doc Chapter in your area, please let me know. It takes only one interested individual to get the ball rolling. We are available for presentations, and workshops to help you get started.

Thanks again for interest in Doc. If we can be of further assistance, please don't hesitate to call or write. This year make your charitable contribution to Doc, "just for the health of it".
