TALKING PICTURES

PEOPLE SPEAK ABOUT THE PHOTOGRAPHS THAT SPEAK TO THEM

Photographs. They can inspire, outrage, make us laugh, cry, think, remember. All in 1/500th of a second. We invite you to a most unique and innovative exhibition: "Talking Pictures." Fifty-four photos hand-picked by 54 famous and not-so-famous people whose lives have been somehow altered by a single frame, frozen in time. You'll see their selected images, hear their recorded voices, and feel their passions, joys, sadness, pride. People speaking about the photographs that speak to them. The photos are stationary. It's you who will be moved.
