Dear Mr. Goerlitz:

Enclosed you will find a letter Dr. Blum received from the Nebraska DOC chapter regarding a \$2,800 advance paid to you for the production of a video. As you can see the Nebraska chapter is quite upset and feels that you have been uncommunicative and uncooperative in bringing this matter to a close. It is Dr. Blum's wish, as well as mine, that this unfortunate disagreement be resolved as quickly as possible. If you have any questions or would like us to help mediate the situation, please contact us. If not, it is our hope that this matter can be resolved without any embarrassment for all parties involved in the fight against the tobacco industry.

Sincerely,

Jim Smith
