Dear Dr. Blum:

Congratulations on your selection as the 1993 recipient of the American Academy of Family Physicians Public Health Award. This award was established by the Congress of Delegates to be conferred from time to time in recognition of individuals who make extraordinary contributions to the public health.

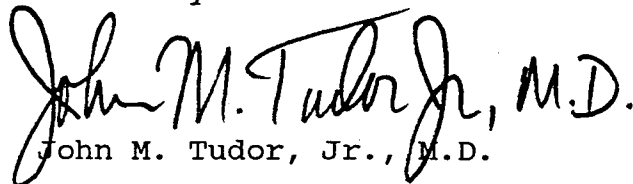

Improvement of the health of the American people is a major goal of the AAFP and of all family physicians. It is the wish of the Academy to honor and call attention to individuals that make a particularly unique, large or important contribution to the public health. The AAFP Public Health Award is a token of appreciation in recognition of your outstanding contribution to the public health, both in your state and nationally.

The official award presentation will be held during the Opening Ceremonies of the 45th Annual AAFP Scientific Assembly at 1:00 p.m. on Thursday, October 7, 1993 in Orlando, Florida. It is my understanding that Dr. Douglas Henley, Chair of the Commission on Public Health and Scientific Affairs, has contacted you personally and that you do plan to attend the presentation ceremony.

The Academy will provide round-trip coach airfare, two-nights hotel accommodations, and expenses for the award presentation and the Delegates' Dinner on the evening of October 7. Ms. Joyce Haas, Assistant Staff Executive to the Commission on Public Health and Scientific Affairs, will contact you regarding travel arrangements and accommodations. Should you have any questions, or need to contact Ms. Haas, you may reach her at (800) 274-2237, ext. 5540.

Once again, congratulations on your selection as the recipient of the Public Health Award. I look forward to seeing you in Orlando.

Sincerely
