Dad,

I'm going into the Philip Morris recruiting session tonight to get info. Last year, there wasn't much, but a few pamphlets and videos. Should I audio record the videos undercover or overt?

I also realized that this is a PM campus, we now have Starbucks, and many of the food products are Kraft/PM.

Should I find student activists involved to have a vigil or sit-in in the upcoming weeks against PM?

Parts of your resume is online at the PM site...
