Women's International  
Professional Tennis Council  
215 Park Ave. Suite 1715  
New York, NY 10003  
Fax 212-228-4800

TO: Anne Person Worchester

Please be advised that NOW South Palm Beach County is planning the first of a series of protest/demonstrations along the Virginia Slims Tour starting with the Delray Beach Tennis center March 1-7. Other NOW groups plan to demonstrate at other cities across the country where the meets are being held.

We are part of a pro-health coalition concerned with the addiction, disease and death caused by tobacco on women's health.

We urge Women's Tennis to disassociate itself from the #1 KILLER OF AMERICAN WOMEN.

The average age of new smokers is 13 years old. The tobacco industry is promoting an addictive, lethal drug to our children and we are outraged!
