REDEMPTIONS BY MAIL

When distant from such cities, redemptions should be made by mailing Coupons or Certificates to the nearest of either of the following addresses:

UNITED CIGAR STORES COMPANY

44 W. 18th St.
New York, N. Y.

San Francisco, Cal.

How Coupons and Certificates can be sent by mail:

FIRST CLASS MAIL

2c for each ounce or fraction thereof.

THIRD CLASS MAIL

1½c for each two ounces or fraction thereof up to and including eight ounces.

FOURTH CLASS MAIL

Includes all parcels weighing over eight ounces. The postage must be prepaid in accordance with the parcel post zone rates. In addition to the parcel post zone rates there will be a service charge of two cents for each parcel except on parcels originating on rural routes. The service charge must be prepaid in the same manner as the regular postage.

When sending Coupons or Certificates either First Class, Third Class or Fourth Class mail you should pay an extra fee and have them registered or insured, as we cannot be responsible for claims that packages sent, although properly addressed and stamped, were received by us.

Inasmuch as it is a violation of the postal laws to enclose written matter in packages sent Third or Fourth Class mail, customers will please send orders for articles wanted in exchange for Coupons or Certificates mailed as letters (First-Class postage).

The name and address of the sender should always be written on the outside of package or envelope containing Coupons or Certificates. Always send Coupons or Certificates flat. Do not roll or fold. Coupons or Certificates of the same color should be kept

together, which will make counting quicker.

EXPRESS OR MAIL CHARGES

We do not pay charges on shipments of articles ordered through the mail. When ordering by mail, therefore, enclose 6c in stamps to cover mailing charges up to eight ounces in weight, except when ordering thimbles, collar buttons, scarf pins, cuff links and other small articles of this description which are of about the same weight; then enclose 1½c in stamps to cover mailing charges.

Parcels weighing in excess of eight ounces and up to sixteen ounces enclose 14c in stamps, which covers parcel post and service charge up to one pound in weight. Amounts sent by customers in excess of charges will be returned. Articles in excess of one pound in weight will be shipped express collect and stamps received will be returned.

All articles forwarded by mail or otherwise are at the risk of the customer.

Mail shipments may now be insured for the account of the customer at the following rates:

5c up to \$ 5.00 in valuation
8c from \$ 5.01 to \$ 25.00 in valuation
10c from \$25.01 to \$ 50.00 in valuation

All of the foregoing is subject to change of rates or discontinuance of insurance arrangements.

PREMIUM CATALOG

All articles in this Catalog are redeemable in exchange for either Certificates or Coupons (five Coupons counting as one Certificate). The number of Certificates required is stated in each case. Holders of Coupons need not, therefore, exchange Coupons for Certificates to secure articles herein listed. Coupons or Certificates of any denomination issued will be counted at Premium Stations at their proper rate in making redemptions of articles in this Catalog.

IMPORTANT NOTICE

We reserve the right to discontinue, without notice, any or all articles listed in this Catalog, or increase the redemption value of any and all such articles; also the right to collect any and all taxes, revenues, etc., which may be levied, assessed or required to be collected and paid on any or all such articles or the values thereof.

STANDARD MERCHANDISE

Wherever practical we have secured articles bearing the names or trademarks of manufacturers of high-grade merchandise. If it is not practical to secure articles in popular demand which are promptly identified in this way, we seek to select only the products of manufacturers whose reputations are a guarantee of standard quality.

In order that the redemption value of our Certificates may be kept up to the standard we have established, we cannot undertake to obtain for customers articles other than are listed herewith, or are carried in Premium Stations. These articles we purchase in sufficient quantities to give us the benefit of the best prices. Only on the basis of prices thus secured can we maintain the high redemption value of our Certificates. We will, however, endeavor to obtain articles other than those listed herewith or carried in our premium stations, whenever practicable for us to procure such articles and redeem certificates for same. We will, upon your application, quote certificate values based on prices required to be paid by us for such merchandise when purchased singly or in limited quantities.

PREMIUM STATIONS

For the convenience of our customers, we maintain over 250 Premium Stations, one or more of which are located in the majority of cities in which we operate stores.

Our salesmen in each city will be pleased to advise address of the Premium Station nearest to you.

Conditions and Regulations

All Orders, Coupons and Certificates heretofore, now or hereafter issued by United Cigar Stores Company of America, and/or any of its subsidiary or affiliated Companies, are subject to the following rights and conditions, by which each of the persons to whom they are issued by accepting the same agrees to be bound.

The Company may without notice discontinue the issuance of and refuse to redeem all or any Orders, Coupons and Certificates, if any law or ordinance is passed or adopted or if any decision, judgment or order is made or entered prohibiting, taxing, limiting or affecting the same, or imposing conditions which it may deem to be onerous. The Company may without notice impose such requirements for the redemption of all or any Orders, Coupons and Certificates as it may deem proper to meet the requirements of any law or ordinance, or any decision, judgment or order, now in force or which may be hereafter enacted, made or entered, affecting Orders, Coupons and Certificates or any of them in any way. The Company may place any mark upon, take up, cancel, or refuse to redeem any and all Orders, Coupons and Certificates presented for redemption by anyone who fails to satisfy any of our representatives that he or she is the person to whom they were originally issued. No person other than an officer of the Company (and then only in writing under the seal of the Company) is authorized to vary, change or modify in any way any of the terms or conditions hereof or which appear upon any of our Orders, Coupons and Certificates now issued or which may hereafter be issued or in the within catalog.

The title to and right of possession of all Orders, Coupons and Certificates now issued or which may hereafter be issued by United Cigar Stores Company of America and/or any of its subsidiary or affiliated Companies are and at all times remain in the Company which issued them respectively. The only right which any person to whom they are or have been issued ever has obtained or can obtain is to redeem such Orders, Coupons and Certificates subject to the terms and conditions hereof as well as to such terms as appear upon the respective Orders, Coupons and Certificates themselves upon satisfying the Company's representatives that he or she is the person to whom they were originally issued. Being at all times the property of the Company, these Orders, Coupons and Certificates cannot be sold, given away or otherwise disposed of.

The Company does not undertake to have on hand at the times when Orders, Coupons or Certificates are presented for redemption, all of the articles specified in the within catalog or otherwise advertised; it will, however, subject to reservations set forth under "Important Notice," page 1, of this catalog, endeavor either to have such articles on hand or to supply them upon reasonable notice. If any particular article in the Company's premium catalog or otherwise advertised is desired by persons collecting the Orders, Coupons and Certificates, such persons should select such article or articles in one of the Company's premium stations, in which event the Company will set such article or articles aside and keep it or them in reserve for a reasonable time ready to be turned over to such person or persons when the required number of Orders, Coupons or Certificates is presented for redemption subject to the provisions hereof.

The Company reserves the right to limit the number of Orders, Coupons and Certificates which it will receive for redemption from any person at any time as well as the right to limit the number of articles in its premium catalog or otherwise advertised, whether of the same kind or of different kinds, which it will distribute at any time to any person.

All articles in this premium catalog, when stated to be guaranteed, are guaranteed to us by the manufacturers. The guarantee of the Company does not extend beyond this.

This catalog and all of its conditions supersede and render void all other catalogs and conditions heretofore issued by the Company so far as they are inconsistent herewith.
