Dear Sir,

I have recently read the article in the July edition of the Medical Journal of Australia describing the successful attempt to sabotage the Malboro promotion competition. The counterposter produced by your group must rate as one of the most devastating strategies designed to ridicule a cigarette promotion campaign. I applaud your ingenuity. I am currently in Brisbane for a short visit as the guest of the University of Queensland and wonder whether it might be possible to obtain a couple of prints of the poster to take back to England. I shall of course be delighted to make a contribution to B.U.G.A. U.P.

Yours faithfully,

Michael Skolnik

Dear Sir/Madam;

After reading about BOGAUP's activities in the Medical J. Aust. I write to ask:-

- Do you have any Igomanian associates? If so, how do I get in touch with them?
- Can I purchase the "Marbletown Man" poster - or other similar material - for display on noticeboards at the Repatriation General Hospital, Hobart and in the Department of Veterans' Affairs Hobart branch office?

Yours sincerely

Red Thornett

As a G.P. I
have spent countless hours waving
fingers admonishingly at smokers with
sick lungs.

All that has probably
achieved less than your Marlboro
poster alone. Clearly I'd better
get with the strength - "come to
where the saviour is".

I would like to help
within the limits of my ability
and responsibility. How can I?

Regards,

Dear Sir,

I am interested in obtaining copies of the Marble Row poster, as featured on the front cover of the Medical Journal of Australia, and any other anti-smoking posters you may have available.

I would be grateful if you could send details to the above address at your earliest convenience

Yours faithfully,
Derek Mitchell

Dear Sir,

Having just certified
the death of yet another victim
of tobacco, I feel inclined to
lend my support to the
Bug a up campaign. Would
you please send further information.
Could you possibly send
a booker of the MARBLE Row
Man, for my surgery?

Dear Sirs,

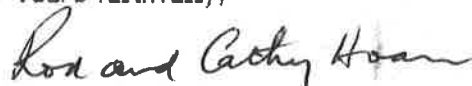

Do you have any of the Marble Row man posters left? If so how can we get some?

You have our moral support - can one formally join or do you operate without formal membership? How else can we help - short of defacing billboards?

Do you have the address of the Anti-Smoking Lobby?

Keep up the good work!

Yours faithfully,

Rod and Cathy Hoare.
